

# Invest in Huddinge

**Stockholm**  
The Capital of Scandinavia

*Huddinge is one of the region's largest municipalities. Strategically located 10km from the city centre, it is the southern gateway to Stockholm, the capital of Scandinavia. Partnerships with the city of Stockholm, neighbouring municipalities, as well as businesses and academic institutions, are creating a dynamic region for further investment and development.*

## We offer:

- An expanding regional life science cluster and knowledge centre
- Scandinavia's largest retail and shopping park
- World-class research and academic institutions
- Excellent communications to the city centre, Stockholm-Arlanda and Stockholm-Skavsta airports
- Exciting new residential developments
- Close proximity to Stockholm International Fairs Exhibition Centre
- Close partnerships with the business community and academic institutions
